

## Generous Government Tax Rebates Available

After 20 years as a recruitment industry growth specialist managing consulting firm, we have recently been appointed as a registered Federal Government Research & Development supplier.

**Generous tax rebates** (not just deductions) are available for Research & Development activities which may help **improve and grow** your recruitment business.

### Eligible activities include:

Activities whose outcome cannot be known or determined in advance on the basis of current knowledge, information or experience, but can only be determined by applying a systematic progression of work that

And that are conducted for the purpose of generating new knowledge - **including about creating new knowledge or improved materials, products, devices, processes or services.**

### Eligible companies include:

incorporated under an Australian law, incorporated under a foreign law but an Australian resident for income tax purposes

You are NOT eligible for an R&D tax offset if you are:

an individual, a corporate limited partnership, a tax-exempt entity or a trust with the exception of a public trading trust with a corporate trustee.

### Tax rebates available are:

- a 43.5% refundable tax offset for eligible Australian entities (companies not trusts) with an aggregated turnover of less than \$20 million per annum, provided they are not controlled by income tax exempt entities or a 38.5% non-refundable tax offset for all other eligible entities (entities may be able to carry forward unused offset amounts to future income years).

**For example:** a \$80,000 R&D spend (including our R&D consulting and your staff costs) results in a \$34,800 (43.5%) tax offset paid as a rebate or deducted from company tax payable in the relevant FY

### Why Appoint Navigator Consulting

The application process is quite complex, but Navigator Consulting has the proven expertise to prepare and lodge your rebate application to maximise the potential for success. We have been successful on all applications to date.

As a recruitment industry specialist, Navigator has worked with dozens of recruitment firms over the years and is one of the world's leading recruitment company growth advisors.

The R&D Tax Rebate means you are able to further improve the efficiency and performance of your recruitment business at NO COST as our fees are funded by the rebate with your own internal staff costs also covered.
